This is farmer Fred.

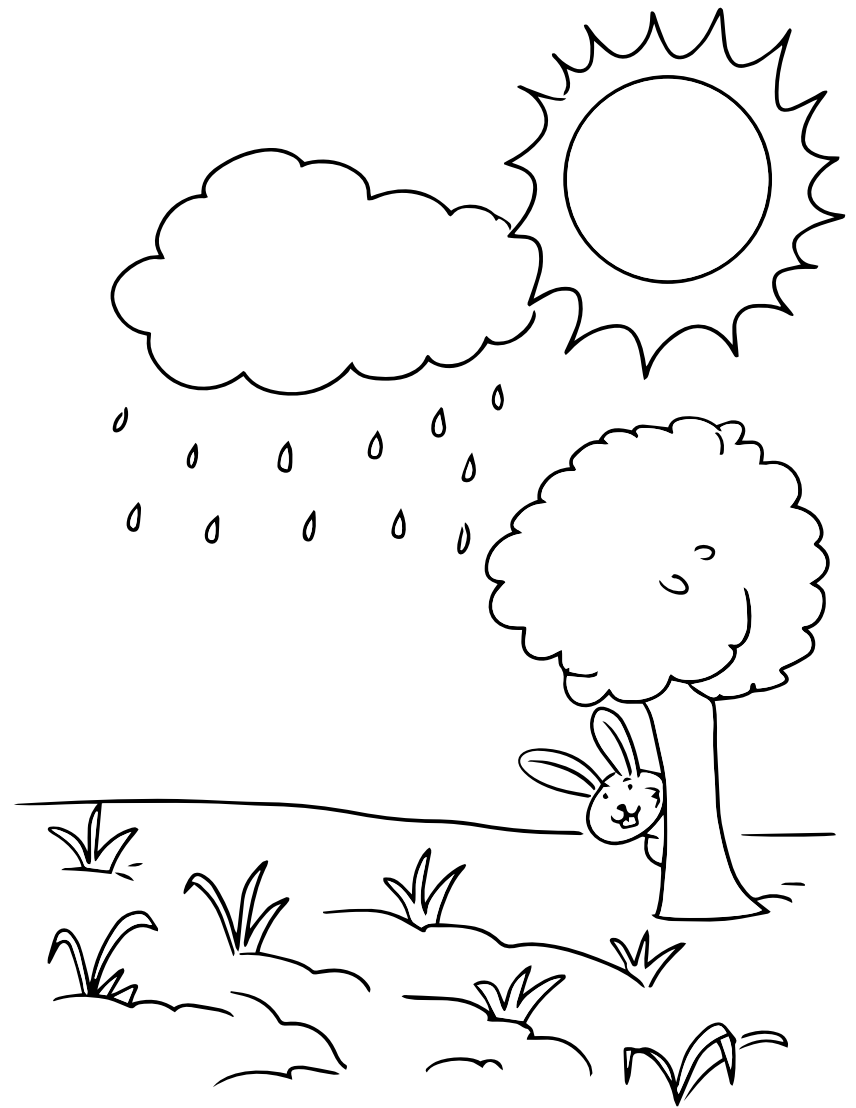

He is working on his farm.

The farmer wanted to  
grow some vegetables.

One day the farmer  
planted some seeds in his  
field.

Some days it was sunny  
and some days it was  
rainy.

After a few weeks the  
vegetables started to  
grow.

The vegetables grew and grew very well.

The farmer was very happy.

One day the farmer went to check on his vegetables.

“Oh no!”, said the farmer. “The carrots and lettuce have gone!”.

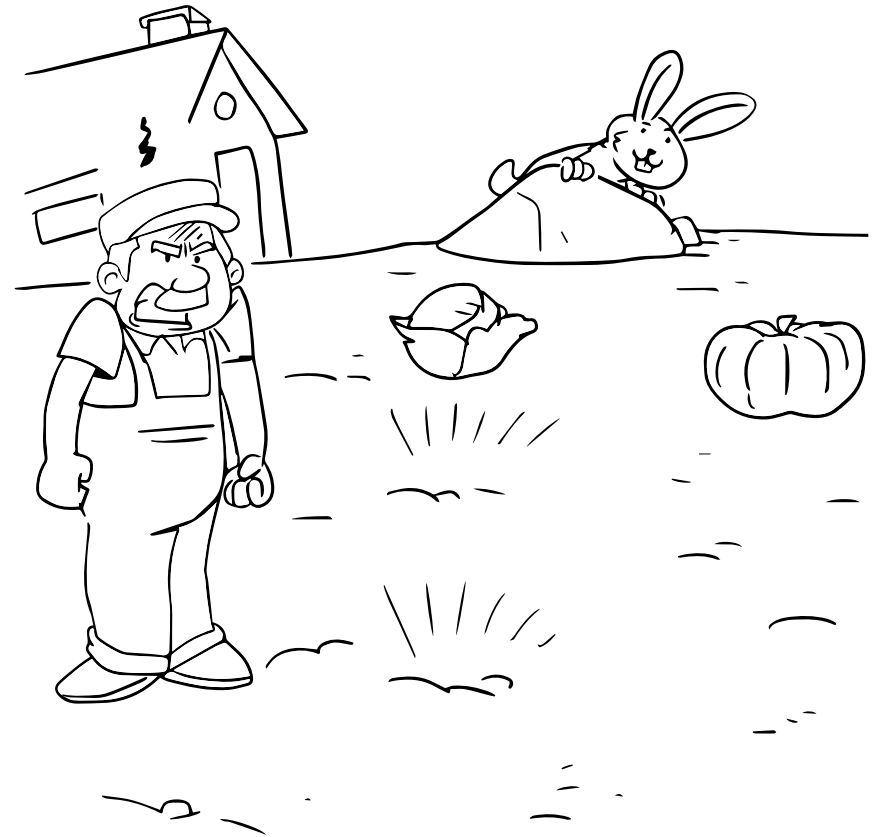

The farmer was very confused.

The next day the farmer checked his vegetables again.

“Oh no!”, said the farmer.  
“The onions and radish have gone!”.

The farmer was very shocked.

The next day the farmer checked his vegetables again.

“Oh no!”, said the farmer.  
“The corn and potatoes have gone!”.

The farmer was very angry.

The next day the farmer checked his vegetables again.

“Oh no!”, said the farmer.  
“The pumpkin has gone!”.

The farmer was furious.

So that night the farmer  
waited behind a rock.

He waited and waited for  
a long time.

Suddenly a rabbit  
appeared and hopped  
over to the cabbage.

The farmer quickly swung his net and caught the rabbit!

The rabbit is now the  
farmer's pet.

Everyday the farmer gives  
the rabbit lots of carrots  
to eat.

The rabbit and the farmer  
are both very happy.
