

The Morning Routines Song

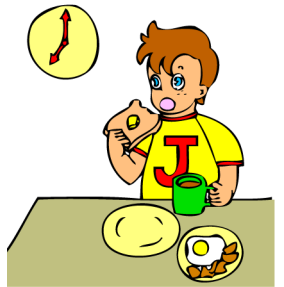

Good morning! Good Morning!
It's time to wake up.
Good morning! Good Morning!
I have to get up.

I wash my face
(wash, wash, wash),
I brush my hair
(brush, brush, brush),
I get dressed
(dressed, dressed, dressed),
There's such a lot to do!

Good morning! Good Morning!
It's time to wake up.
Good morning! Good Morning!
I have to get up.

I eat my breakfast
(eat, eat, eat),
I brush my teeth
(brush, brush, brush),
I put on my shoes
(put on, put on),
There's such a lot to do!

It's time to go to school.
